- Marianne Fischer
- Samantha Kessler
- Julia Bettinger
- Jessica Bryski
- Bob Hooker
- Christy Etheridge
- Dina Porter
- Val Walsh-Haines
- Karen Johnston

**Access to Health Care Workgroup Members**

- Andrea Berry
- Betty Sones
- Christy Etheridge
- Dr. Bernadette Meade
- Judy Roe
- Karen Stillwell
- Lillian Zuniga
- Sharon Hinkley

Also, a special thank you goes to the National Cancer Institute, Cancer Information Service for providing information on the National Resources part of this guide.

Thank you to all of you who help in the development and creation of this guide, as it is will be a useful tool for providers, cancer advocates, cancer survivors, families, friends, and caregivers.

# How to Use this Guide

## Example

**American Institute for Cancer Research (AICR)**

This organization provides information about cancer prevention, particularly through diet and nutrition. They have a wide variety of consumer and health professional brochures, plus health aids about diet and nutrition and their link to cancer and cancer prevention.

**Contact Information:**  
1759 R Street NW P: 202.328.7744  
Washington, DC 20009 P: 800.843.8114  
E: [aicrweb@aicr.org](mailto:aicrweb@aicr.org) F: 202.328.7741  
W: [www.aicr.org](http://www.aicr.org)

**Title of Resource**  
Every resource has a title in bold

**Resource Description**  
This give a quick overview of each resource and services provided.

**Contact Information**  
This provides a street address and other contact information  
P = Phone # (sometimes there are two listed)  
F = Fax #  
E = email  
W = Website  
\*\* Note: not every resource has all contact information. \*\*

Things to know about this guide:

1. Everything is listed alphabetically;
2. Not all Resources have all the contact information; and
3. In Wyoming Resources Section, it is listed by county and each county has each cancer type.
4. If you or facility is not listed and should be please contact the Wyoming Comprehensive Cancer Control Program at 307-777-7362.

# National Resources

## **General Cancer Resources**

### **American Cancer Society**

This is a Voluntary organization that provides a variety of services to patients and their families. ACS supported programs: Cancer Survivors Network, I Can Cope, Look Good...Feel Better, Man to Man, Reach to Recovery

**Contact Information:**

1599 Clifton Road, Northeast  
Atlanta, GA 30329-4251  
W: [www.cancer.org](http://www.cancer.org)

P: 404.320.3333  
P: 800.221.2345

### **National Lung Cancer Partnership**

This is a 501(c)(3) non-profit organization dedicated to decreasing deaths due to lung cancer, and helping patients live longer and better, through research, awareness and advocacy. Founded in 2001 as Women Against Lung Cancer, the organization changed its name to National Lung Cancer Partnership in 2006 to better reflect the partnership we have forged with physicians, researchers, lung cancer survivors and their families, advocacy organizations and the media to help achieve our mission. We are ultimately working to advance lung cancer treatments for *all* patients, but we are currently focusing our efforts on women.

### **Ovarian Cancer National Alliance (ONCA)**

This organization works to increase public and professional understanding of ovarian cancer and to advocate for research to determine more effective ways to diagnose, treat, and cure this disease.

**Contact Information:**

910 17<sup>th</sup> Street NW, Suite 413  
Washington, DC 20006

P: 202.331.1332

E: [ocna@ovariancancer.org](mailto:ocna@ovariancancer.org)

W: <http://www.ovariancancer.org>

### **Pancreatic Cancer Action Network (PanCAN)**

This is a nonprofit advocacy organization, educates health professionals and the general public about pancreatic cancer to increase awareness of the disease. PanCAN also advocates for increased funding of pancreatic cancer research and promotes access to and awareness of the latest medical advances, support networks, clinical trials, and reimbursement for care.

**Contact Information:**

W: <http://www.pancan.org>

### **Support for People with Oral and Head and Neck Cancer (SPOHNC)**

This is a self-help organization that serves oral, head and neck cancer patients, survivors, and their families. The organization offers support group meetings, information, newsletters, and teleconferences. The SPOHNC also offers a "Survivor to Survivor" network which pairs survivors or their family members with volunteers who have had a similar diagnosis and treatment program.

**Contact Information:**

Post Office Box 53  
Locust Valley, NY 11560-0053

P: 800.377.0928

E: [info@spohnc.org](mailto:info@spohnc.org)

W: <http://www.spohnc.org>

### **Thyroid Cancer Survivors' Association, Inc. (ThyCa)**

This organization offers a network of services to thyroid cancer survivors, caregivers, family members, and friends. These services include e-mail support groups, person-to-person support, local support groups, and a toll-free survivors' telephone line. ThyCa also offers a low-iodine cookbook, newsletters, conferences, and workshops.

**Contact Information:**

P.O. Box 1545  
New York, NY 10159-1545

P: 877.588.7904

# Wyoming Resources

## State Wide Cancer Resources

### **American Cancer Society**

This is a voluntary organization that provides a variety of services to patients and their families. ACS supported programs are: Cancer Survivors Network, I Can Cope, Look Good...Feel Better, Man to Man, Reach to Recovery. The Greeley, Colorado American Cancer Society serves Wyoming. Wyoming does not have a local ACS office.

**Contact Information:**

8221 West 20<sup>th</sup> St.

P: 970.356.9727

Greeley, CO 80634

P: 970.356.9238

W: [www.cancer.org](http://www.cancer.org)

### **Jason's Friends Foundation**

This non-profit organization's mission is to assist families of children suffering from brain or spinal cord tumors and other cancers by providing advocacy, helping hands, and encouragement in the face of despair. Inspired by the life of Jason Eades, the foundation was established in 1996 and has been helping families deal with the financial and emotional costs associated with childhood cancers. Jason's Friends aims to ease families' burdens, providing financial assistance, emotional support and information about childhood cancers to help families communicate more effectively with health care providers.

**Contact Information:**

340 West B St., Ste 101

P: 307.235.3421

Casper, WY 82601

E: [lisa@teamnetworks.com](mailto:lisa@teamnetworks.com)

W: [www.jasonsfriends.com](http://www.jasonsfriends.com)

### **Wyoming Comprehensive Cancer Control Program (WCCCP)**

The WCCCP has worked diligently to facilitate and coordinate the state's efforts surrounding cancer prevention and control. The program provides education and resources on prevention, early detection, treatment, palliative care and end of life services for cancer patients, families, caregivers, providers, and the general public. The WCCCP was created to lessen the impact of cancer on Wyoming people.

**Contact Information:**

6101 Yellowstone Rd., Ste 259A

Cheyenne, WY 82002

F: 307.777.2426

W: <http://wdh.state.wy.us/PHSD/ccc/index.html>

### **Wyoming Breast and Cervical Cancer Early Detection Program (WBCCEDP)**

This program is funded by the Centers for Disease Control and Prevention to provide free breast and cervical cancer screening exams to Wyoming women who meet certain guidelines for enrollment in the program. Enrollment criteria include:

- Age: 50 to 64 years;
- Income: at or below 250% of federal poverty guidelines; and
- Insurance: no insurance coverage, including Medicaid

The WBCCEDP has a list of available contract healthcare providers in all 23 counties who are reimbursed for breast and cervical cancer screening exams and diagnostic services. For more information or questions please contact the WBCCEDP.

**Contact Information:**

6101 Yellowstone Rd., Ste 259A

P: 800.264.1296

Cheyenne, WY 82002

W: <http://wdh.state.wy.us/PHSD/bccedp/index.html>

### **Wyoming Colorectal Cancer Early Detection Program (WCCEDP)**

The Purpose of the WCCEDP is to increase screening for colon cancer and to decrease the number of Wyomingites who are diagnosed and side from colon cancer each year. This program is funded by state general fund dollars as identified in the Wyoming Cancer Control Act. This program will screen Wyoming men and women who meet certain eligibility requirements. For more please contact the program.
